SCIENCE ON SATURDAY is a free series of talks geared toward high school students but open to all. Students, teachers, parents, and community members are welcome.

TIME:

Doors open at 8:15 a.m. Lectures begin promptly at 9:30 a.m. and usually last one hour followed by a moderated question-and-answer session which typically ends by 11:15 a.m. Talks will be held in the MBG Auditorium of the Princeton Plasma Physics Laboratory.

REGISTRATION:

Register on site prior to each session. No pre-registrations accepted. Seating is on a first-come first-served basis.

CANCELLATIONS:

If it becomes necessary to cancel a session due to inclement weather, laboratory or national emergency, a message will be left on the Science on Saturday Hotline at (609) 243-2121.

Presently, PPPL, a federal facility, is taking heightened security measures. Upon arrival, all adult visitors must show a government-issued photo ID. This could include a passport or a driver's license. Non-U.S. citizens must show a photo ID, plus provide the following information: citizenship, date of birth, and place of birth. For the welfare of both our staff and visitors, PPPL security staff retain the right to inspect vehicles and personal packages such as briefcases, satchels, bookbags, and purses.
